

THE VINES GOLF CLUB

HEAT/EXTREME WEATHER POLICY

HEAT

Effective immediately, the following policy is to be applied to all competitions.

Based on the forecast temperature for the following day broadcast on the ABC News, 7.00pm edition, Noarlunga forecast;

Over 38 degrees Celsius, all competition play is cancelled

Players are reminded to take precautions from heat stress such as application of sunscreen, wearing of suitable clothing, hats etc and consumption of sufficient fluids to keep hydrated.

Course may be closed and ride on vehicles may be banned where extreme temperatures are forecast. Check with Pro shop if in doubt.

EXTREME WEATHER

Should extreme weather be forecast that may threaten the safety of individuals (i.e. wind, lightning etc) a competition may be cancelled or modified by the Match Committee.

Match Committee 16/12/09

THE VINES GOLF CLUB

Women's Golf - Hot Weather Policy

Please check the forecast temperature for **NOARLUNGA**, as advertised on the TV news the evening prior to competition day.

If the forecast Noarlunga temperature is between **35° and 37°** a **9 hole Stableford** competition will be held for all players.

The cost of the competition will be \$3.00. Two tees will be used but there will be only one division for the competition.

There will be no Nearest the Pin.

Players may, after completing 9 holes and returning their scorecards, continue to play more holes at their own discretion.

If the forecast Noarlunga temperature is **38°** or over, there will be **NO COMPETITION** played.

If the forecast temperature is **40°** or above, the course MAY be closed by Club Management.
