2016/17 Season

The Vines Golf Club of Reynella is a golf and country club that attracts people from all over South Australia. We offer a championship golf course and we're a popular venue for corporate, trade and group golf days. Off the course, we organise a full calendar of entertainment including jazz afternoons, comedy nights, bingo, quiz evenings and wine dinners and we are one of the southern Adelaide's foremost function centres, hosting weddings, parties, lunches and meetings.

Our golf course is second to none in Southern Adelaide with the conditioning of our course as good as it gets year round. With a structured plan for course improvements and a consistent water supply, the course itself is only going to get better & better in the years to come. We trust that you will find the golf enjoyable here at The Vines Golf Club.

Modern Playing Memberships

Flexible Membership

Flexi, as it is affectionately known around the club, is perfect for those who can't get out on the course as often as they would like. It allows the member to decide how much golf they will play and hence get great value for money if they can't regularly get out on course.

The initial fee is inclusive of Golf Australia Affiliation Fees and Club Levies and provides the member with 100 playing credits for the 2016/17 season. Credits are then redeemed each time you play golf as follows;

Saturday Competition	10 Credits
Other 18 Hole Competition times	7 Credits
18 Hole Non-Competition times	5 Credits
9 Holes	3 Credits

If your credits balance is running low, you can top up in multiples of 20 credits for \$100, or if you find you are playing golf more regularly you can transfer to a traditional category at anytime during the year.

The initial cost of Flexi Membership is \$570 per year and continuance of membership will ensure that your credits will carry over and will not expire until such time you are resigned from the club.

Junior Memberships

Under the guidance of our PGA Certified Teaching Professional, Steve Krause, our junior program is going from strength to strength. With weekly & school holiday clinics as well as the availability of individual coaching you'll be sure to give your kids a sound beginning in the game of golf.

Introductory Memberships

The introductory membership gives the junior's access to the practice facilities any time and to the course outside of the peak times, there is plenty of opportunity after school and late in the afternoons on weekends. The introductory membership also gives them access to the Friday evening clinics where they are taught the basics of the game in a fun and safe environment

Junior Membership

Once your child has progressed from the basic and begins developing a strong interest in the game of golf, these memberships are the next step forward. Junior Membership will give your child a Golf Australia Handicap, ability to play in club competitions and eligibility to represent the club in pennant and other interclub events. As your child's golf ability improves, they will be invited to more elite clinics on Saturdays where their game will be refined and more detailed coaching is provided.

Please don't hesitate to discuss the options which would suit your child with either Steve or the Administration Staff.

Introductory	\$125
Junior Under 18	\$263
Junior 19-21	\$705
Junior 22-26	\$1545

Terms & Conditions

Annual Commitment

Commitment to the Club is on an annual basis. Although the option is there to pay by the month, this is not a monthly membership; rather it is a payment plan over the 12 Month period. As stated within the club's constitution The Club will assume your membership will continue into the next 12 month period beginning on the 1st of October every year, unless you notify us in writing otherwise. This is standard practice of golf clubs in Australia and you will be reminded with plenty of time when we send you the invoice for the following year's subscriptions fees. Any promotional deals may have different conditions, please refer to that page for details.

Dress Code

The Vines enforces a dress code on the golf course at all times. Members are expected to dress appropriately for the game of golf. Shirts must have a collar and be tucked in unless they are specifically designed to be left out, and socks must be white when you are wearing shorts. Items not permitted on the course include jeans, t-shirts, singlets, tracksuits, drawstring shorts or pants, footy shorts or clothing with excessive logos or advertising. The staff in the proshop will be more than happy to advise you of what is acceptable should you be in any doubt.

Acceptance into the Club

All memberships are provisional until the Committee of Management accepts the new members into the club at their monthly meeting. You will be notified in writing within 60 days of signing up if your membership is not accepted. If not accepted all monies paid to the club will be refunded.
